COMPANY INTRODUCTION

SHOWER ROOM

S&D Bathroom Co., Ltd. is located in the developed hinterland of the Pearl River Delta. It focuses on the research and development, sales, and service of mid-to-high-end showers, and is a professional shower enclosure manufacturer integrating R&D, production, and sales services. Constantly improving, innovating, refining every detail, and diligently building the brand is the goal of all employees.

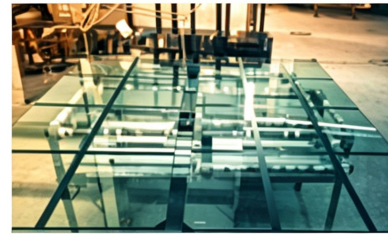

Pursuing excellence, continuous innovation, perfecting every detail, and wholeheartedly building the brand is the consistent pursuit of S&D. The company has introduced internationally advanced production equipment and sophisticated German manufacturing technology. Through strict control of every production process, continuous innovation and progress, and strict implementation of the ISO9001:2000 quality management system, the products are manufactured using automotive safety glass (certified by national 3C and insured by insurance companies), high-quality aluminum, 304 stainless steel, and imported bearing pulleys. This effectively ensures the safety, waterproof performance, and sliding smoothness of the products, keeping them in a leading position in the industry. To allow more domestic and foreign consumers to enjoy high-quality shower experiences, S&D upholds an unyielding spirit of innovation, adheres to a high-end positioning, and strives to create a world-class shower enclosure brand. The products cover more than 20 series and hundreds of styles, making each piece a work of art.

Based on integrity, people-oriented, pursuing excellence, and service-oriented, S&D adheres to its business philosophy and has established a good reputation in the industry. With reasonable prices, high-quality products, and perfect services, it has won the trust and support of numerous domestic and foreign customers. Its products are best-selling in America, Europe, Australia, Middle Eastern and other countries.

S&D warmly looks forward to cooperating and communicating with you to create a better future.

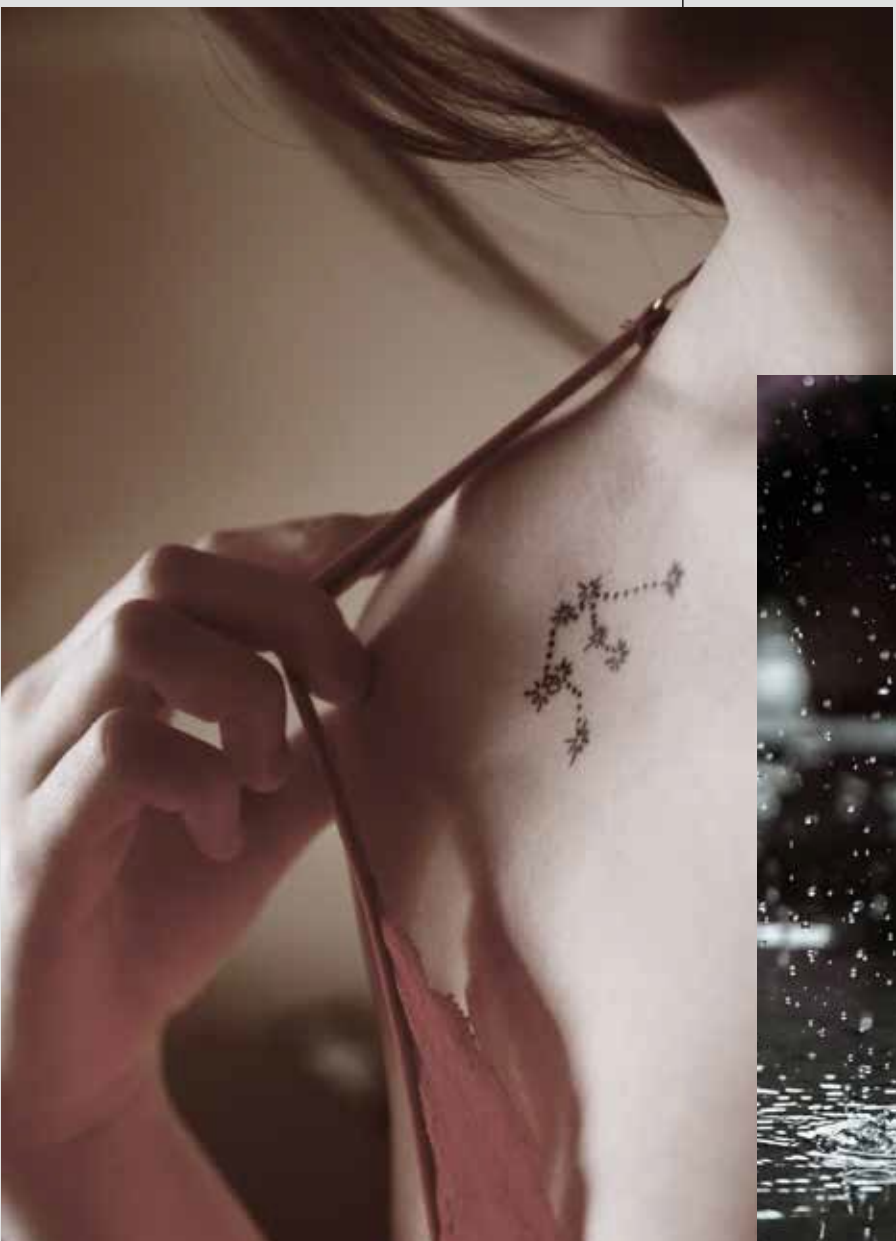

“ Shower door production line smart manufacturing ”

When art enters life, you will find there are many careless beauties in life.
